Pediatrics

Dear Sirs,

Executive Board

The members of the Organizing Committee and I personally would like to thank you for successfully organising the 1st International Conference on Familial Hypercholesterolaemia in children and adolescents (June 8 – 9, 2012).

President

George P. Chrousos

Vice - President

Maria Theodoridou

It was a difficult and challenging conference to organize, especially considering the current financial situation in both Greece and the rest of Europe, yet you succeeded to run a highly successful event.

General Secretary

Charalampos Katsardis

With the firm belief that this has been only the beginning of a long term cooperation, we wish every success to your company.

Special Secretary

Sofia Agoritsa

Cashier

Vasiliki Spoulou

Best regards,
For the Organizing Committee
